Nulli-Secudus Rally | Monthly Club Ride | Coming up

That's a wrap on Nug Nug 2025!

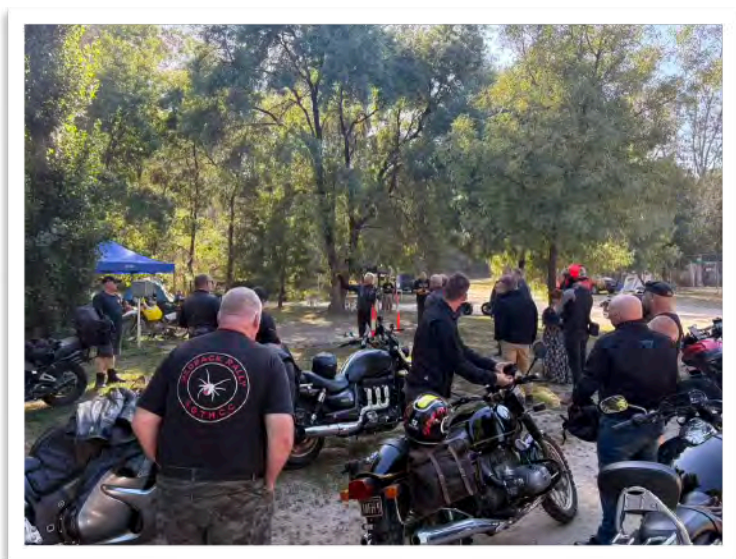

As always, at the start of February, we journey to Nug Nug 15km south of Myrtleford Victoria for our annual Nulli Secundus Rally. We had some fantastic weather and great bands booked and neither disappointed. It takes a lot of organisation to make something this big happen and it is a credit to the whole committee that it ran so smoothly. A big shout out to Rainbow, Tall Paul, Dan & Anne and Young Jon (who as secretary had never been to a bike rally let alone a Nug Nug), JB, Trevor, our intrepid Truckie Wom, Damage, Mark O, Mark S and to all our willing volunteers who contributed throughout he weekend to make the 2025 rally amazing!

But enough from me, let's look at some pics!

Nulli-Secundus Rally 2025

Nug Nug part 1

The weather stayed excellent across the weekend although the ride home was hotter than we would prefer. The set up was done on Thursday by our intrepid crew with the majority of the club arriving Friday. The Friday night band Snow Road Troopers were enthusiastic and got the crowd on their feet dancing while the rotary pumped out the food, the coffee cart did slushies and our bar and merch tents did a roaring trade. This year we even had a trade stall with Beyond Borders Moto Tours chatting to rally goers about heading to exotic locations to tour about on motorcycles and congratulations to Sonya who won the raffle prize of a voucher donated by Beyond Borders Moto Tours!

In other news

At a wonderful weekend down at Phillip Island last weekend (22nd and 23rd of February) the World Superbike and Supersport circus rolled into town. While your humble editor was volunteering as a scrutineer (up close and personal with the bikes and riders) many of our intrepid club members were at the track and got witness first hand Tom Booth-Amos come an amazing second in the first supersport race on the Triumph 765 and then go one better in the second race **WINNING THE RACE!** This put Tom in the equal lead of the rider championship and Triumph equal in the manufacturers championship! Go Triumph!
